**Assembly Select Committee on
Intellectual & Developmental Disabilities**

With Chair Assemblymember Jim Frazier

Saturday, May 11, 2019

10:00 am – 1:00 pm

Eureka City Council Chambers

531 K Street, Eureka

The State Assembly maintains a Select Committee on Intellectual and Developmental Disabilities, which is tasked with reaching out to California's IDD community to learn about the challenges those with disabilities face and what the state can do to better serve them. Under the chairmanship of Assemblymember Jim Frazier, the Select Committee has been holding hearings and forums in local communities throughout California.

The hearing in Eureka is free and open to the public. It is a listening session, a platform to have your voice heard by members of the Legislature. With the closure of the Developmental Centers and the state moving away from institutional living, it is imperative that the Legislature pay close attention to how IDD individuals are being served in their communities and by the state.
